SUPPLEMENT TO MOTION FOR EXTENSION OF TIME

McLeodUSA Telecommunications Services, Inc. ("McLeodUSA"), through its undersigned counsel and pursuant to Section 1.46 of the Commission's Rules, 47 C.F.R. § 1.46, hereby requests an additional extension of time to file a Systems Audit Report as required by Section 64.1320(f) of the Commission's rules and the Report and Order released in *The Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996*, FCC 03-235, CC Docket No. 96-128 (rel. October 3, 2003) ("*Report and Order*"). On July 12, 2005, McLeodUSA requested a 60-day extension until September 1, 2005, of the July 1, 2005 reporting deadline.¹ As explained in its Motion for Extension of Time filed with the Commission on July 12, 2005, McLeodUSA reengaged Deloitte & Touche LLP ("Deloitte"), an independent third-party auditor, to conduct the audit. However, Deloitte has informed McLeodUSA that it requires additional time to complete the audit, and therefore, McLeodUSA requests an extension until October 1, 2005.

¹ See OMB No. 3060-1046 and *The Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996*, Report and Order, FCC 03-235, CC Docket No. 96-128 (rel. October 3, 2003).

Under the Commission's rules, Completing Carriers were required to file a System Audit Report regarding the Completing Carrier's compliance with section 64.1310(a)(1) on July 1, 2004.² One year after filing the System Audit Report, Completing Carriers are required to

engage an independent third party auditor to: (1) verify that no material changes have occurred concerning the Completing Carrier's compliance with the criteria of the prior year's System Audit Report; or (2) if a material change has occurred concerning the Completing Carrier's compliance with the prior year's System Audit Report, verify that the material changes do not affect compliance with the audit criteria . . .³

For the annual audit requirement, the Commission envisioned a streamlined process whereby the Completing Carrier would represent that no material changes have occurred and the auditor could verify the accuracy of such statement.⁴ The Commission recognized, however, that such a streamlined process would only apply after the initial System Audit Report was filed.⁵

On July 30, 2004, McLeodUSA filed its initial System Audit Report with the Commission.⁶ The audit was performed by Deloitte, and McLeodUSA has reengaged Deloitte to perform the annual audit. However, Deloitte has informed McLeodUSA that it requires additional time to complete the audit because of computer processing issues with the auditor's system.

There is good cause to grant an extension of time. Currently, McLeodUSA has an audited call tracking system in place, has been making timely compensation payments to PSPs, and has been submitting the required call reports to PSPs on a quarterly basis. Accordingly, no

⁶ On June 21, 2004, McLeodUSA, through its counsel, filed for an extension of time to file its System Audit Report by July 31, 2004.

PSP will be harmed by the delay in McLeodUSA's submission of its annual System Audit Report. McLeodUSA already has an audited payphone tracking system in place and has not implemented any material changes to the system.

To the extent necessary, McLeodUSA requests a waiver of any late filing penalty set out in the October 2003 Order.⁷ McLeodUSA submits that no one will be harmed by the late-filed Systems Audit Report. As explained above, McLeodUSA already operates an audited call tracking and payment system that ensures that PSPs are properly compensated. In fact, McLeodUSA has been making payments and submitting reports to PSPs in accordance with the Commission's rules. Thus, the Commission should waive any penalty.

For the reasons described herein, McLeodUSA requires additional time. Accordingly, McLeodUSA hereby respectfully requests an additional extension of the reporting deadline, until October 1, 2005, to submit the Systems Audit Report in accordance with the Commission's rules.

Respectfully submitted,

Kathy L. Cooper
